CALFED Bay-Delta Program
1416 Ninth Street, Suite 1155
Sacramento, CA 95814

Dear Gentlepersons:

At its meeting of September 14, 1999 the Berkeley City Council adopted Resolution No. 60,189-N.S. supporting protection of the Bay/Delta Estuary.

The resolution affirms Council's support of the Bay Area's interest in the CALFED process. It emphasizes that CALFED must recognize the critical importance of the health of our bay by ensuring adequate freshwater flows into the bay, by requiring water conservation by all users, and by making sure the Bay Area gets a fair share of CALFED funding for environmental restoration.

A copy of the resolution is enclosed.

Sincerely,

A handwritten signature in black ink, appearing to read "Sherry M. Kelly".
